

School of Theology: Prescribed Texts for Subjects in First Semester 2021

The School of Theology does not order its texts through the Cooperative Bookshop as they are relatively small numbers. Rather, you need to find your own texts through bookshops or online. Recommended sites: koorong.com.au and bookdepository.co.uk. Note some texts may be available as digital books through Kindle etc. and we have noted when books are available to access online via the CSU Library.
