

We would like to gift you
with a free ticket to the screening of
the Centre for Public Christianity (CPX)'s
new documentary...

FOR THE LOVE OF GOD **+ -**

How the church is
BETTER + WORSE
than you ever imagined

The film *For the Love of God* confronts the worst that Christians have done – and also traces the origins of Western values like human rights, charity, humility, and non-violence back to the influence of Jesus. This is not the history we think we know.

Take the opportunity to:

- Talk to CPX staff at the event
- Learn about the work of CPX
- Get informed about the documentary resources available for churches and high school classrooms.

Be inspired to take and promote the documentary in your church, school and ministries.
