

STUDENT MINISTRY WORKER

The vision of Southside Bible Church is to Build the church as a loving community; Reach people with the gospel of grace; and Make disciples who know and obey the Bible.

We are a growing multi-ethnic and multi-generational congregation in Southern Canberra that is committed to raising up gospel workers for the harvest. Under God, we aim to train, equip and send 10 suitably trained gospel workers in 10 years to serve as leaders in churches and global missions. That is why we want to bring on to the staff team from Jan-2024, someone who is passionate about the gospel, and wants to grow with hands-on ministry experience while studying at Bible college.

It is envisaged that the successful candidate will receive mentoring across a range of ministry areas, and serve among our youth and young adults helping them to grow in their love of God's word and his kingdom.

OUR MISSION

We seek to:

BUILD

the church in love,
